Works for me.®

Canadians have turned to Equitable Life since 1920 to protect what matters most. We work with independent advisors across Canada to offer individual insurance, savings and retirement and group benefits solutions to meet your needs.

Equitable Life is not your typical financial services company. We have the knowledge, experience and ability to find solutions that work for you. We're friendly, caring and interested in helping. And we're owned by our participating policyholders, not shareholders, allowing us to focus on your needs and providing you with personalized service, financial protection and peace of mind.
