

Kevin Till

AVP, Individual Pricing and Reinsurance

Kevin brings over 15 years of industry experience to his role as pricing actuary. He has been with Equitable for over 10 years and has been involved with pricing and product development in all three lines of business.

Kevin's team is focused on making sure Equitable's individual life products stay as competitive as possible, while also ensuring the company can deliver on its long-term financial commitments to clients.

Kevin completed a degree in Mathematics from the University of Waterloo as well as a degree in Business Administration from Wilfred Laurier University. He is a Fellow of the Canadian Institute of Actuaries and the Society of Actuaries.
