

Carlo Di Girolamo

Advanced Case Consultant, Quebec

Carlo joined Equitable as a Regional Life Sales Manager for Quebec in March 2019. He has over 30 years of insurance industry experience with more than 15 years as an Advanced Case Consultant with two of the major Canadian insurers, including 5 years with Great West Life/Canada Life.

Carlo has earned an excellent reputation in the Quebec marketplace for his expertise in the corporate insurance marketplace and his technical product knowledge. He is a graduate of Concordia University (MBA, Finance) and has completed five of the actuarial science examinations.
