3. TERMS AND CONDITIONS

- A withdrawal from one fund and a deposit to another will result in the funds being out of the market for at least one valuation day. Unit values fluctuate daily and there is a risk of a loss when outside of the market during a unit value change.
- The withdrawal transaction could negatively affect the value of the contract's Death Benefit Guarantee.
- The withdrawal transaction could negatively affect the value of the contract's Maturity Guarantee.
- A withdrawal may result in a capital gain or a capital loss since it creates a taxable disposition (non-registered contracts only).
- You may incur deferred sales charges for the withdrawal portion of this transaction.
- Movement between sales charge options must be within the same guarantee class.
- You have the right to change your mind within two business days of either of the date you receive confirmation or five business days after it is mailed. With written notification, we will refund the lesser of the value of your deposit or the market value on the day we receive your request. Fees and charges will be refunded.
