

# PIVOTAL SELECT™ Protection Class (100/100)

**Protecting your clients' savings doesn't have to mean limiting their growth potential.**

Pivotal Select™ Protection Class is ideal for investors who are looking for growth potential, but also want to know their principal is protected regardless of market performance. With the highest level of principal protection and guarantees that Equitable offers, the Pivotal Select Protection Class provides your client with:

- 100% principal guarantee at deposit maturity\*
- 100% principal guarantee on death
- Annual resets to lock in market gains
- Full range of investment options for growth opportunity
- Fully protected deposits to age 85\*
- Potential for creditor protection and bypassing probate by designating a beneficiary

Choose from an extensive fund lineup that includes equity, fixed income, balanced and portfolio funds. With Pivotal Select Protection Class, you can help clients build an investment solution that protects their investment, while helping them achieve their financial goals.

<b>Statements</b>	<p>Statements are produced semi-annually. The contract owner can elect paper or electronic statements. Electronic statements and contract information can be viewed on Equitable's Client Access (<a href="http://client.equitable.ca">client.equitable.ca</a>) at any time.</p>	

## FOR ADVISOR USE ONLY

\* Every 15 years the contract has a deposit maturity date. On that date, the contract guarantees the greater of the market value, or the applicable maturity guarantee. A 100% maturity guarantee applies to deposits made prior to the first contract anniversary. A 75% maturity guarantee applies to deposits made on or after the first contract anniversary. Any withdrawals will proportionately reduce the maturity guarantee. Refer to the Contract and Information Folder for a complete description of the product features and guarantees. Any amount that is allocated to a segregated fund is invested at the risk of the contract holder and may increase or decrease in value.
