

# Has current market volatility given you cold feet about investing?

You've got to be comfortable with your investment choices. With Equitable Life's Guaranteed Interest Accounts (GIAs), that comfort can be yours!

Equitable Life's GIAs give you the opportunity to put your savings into guaranteed investments with extremely competitive interest rates and terms from 1 to 15 years.

Including Equitable Life's GIAs as part of your diversified investment portfolio gives you peace of mind, while providing the flexibility to select terms that are best suited to meet your needs. Available as a registered and/or non-registered investment, you have the option of selecting compounded interest or simple interest on your non-registered account. By selecting the simple interest payout option on your non-registered investment, you have the flexibility of receiving interest payments monthly, or annually.
